

New member.

Do you play chess frequently with a family member, E-chess on the internet or just computer chess by your selves ?

Do you want to meet others who are interested in chess and maybe try out your chess skills? Then Holstebro Skakklub is a good club for you.

New member of Holstebro Skakklub

Holstebro Skakklub are pleased to welcome new members regardless if you a skilled player or you have never played before. In our club we have room for players on all levels. We have room for the serious player and those who just want to play for fun. Whether you are a junior or senior player, you will be more than welcome in our club.

A membership of our chessclub includes a membership of

Dansk Skak Union

It means you will have the following:

You will be ratet and your results will be registered by the Union.

You will receive a Magazine 6 times a year.

You will be able to play in a ratet tournament.

Play tournaments for teams and singles.

In Holstebro Skakklub you will meet others with the same interest and they will be happy to help you to be a stronger player. You will also find that we have a strong companionship among the players not based on age and rating.

If you find that has your interest you can fill in the form and the club will contact you. [Click here >>>](#)

You can also meet at the club and have a talk and you can see where we live and when we meet right here [Click here >>>](#)
